“ I have a 51 year old pinecone from the redwood forest. I have warm memories of being taught how to read and make a can of Campbell's soup. Not to mention jokes and being taught to think. All from an apartment on Rombach Avenue. Memories I have always kept with my prized pinecone. I'm sorry I didn't know Tom passed until tonight.....Joy

“ I always smile when I think of Mr Monger, teaching guitar, tecumseh outdoor drama, day hikes, and just being one of the good ones that made an impact!

“ My sincere condolences to the Monger family. He was one of my favorite teachers at Cardinal Pacelli and made a difference in so many lives. His passion for Ohio history was inspiring. He loved Joyce and the boys and spoke of them with love often.
