“ As one of Vic's many cousins, I can say that even at a young age, he was full of spirit, kind regard for all he met, and delight in hijinks of all kinds. I will never forget the warmth of his gravelly voice and the warmth of his huge heart.

“ I was so sorry to hear of Mr. Offices passing. He was one of my favorite customers when I was a server at Skyline. He always had a smile and his stories were so much fun. Some people leave an impression and Mr. Office did just that! I'm sending extra love and prayers to his family and loved ones.

“ As I'm sure is common among his people, I have so many fond memories of Victor that it's hard to narrow in on what to share. From Waffle House to his cigar shop to random sightings, it was always a pleasant experience. I wish his family and friends peace, and hope that they also are able to find solace in their memories.

“ I just received a message that Victor has passed away. Victor and I had such a nice relationship before our family moved to California. We always had fun conversations together. May his memory be a blessing to all of the family, and may he rest in peace. Love, Sue

“ I will fondly remember VicTOR for his fun personality. When I first met him, he gave me a cassette tape of him signing and playing the guitar. I still have it! :) I know that he had been struggling physically for a while now, but he still had some spunk! A special note to Brianna... Papa was so very proud of you! His eyes always lit up when he talked about you and your accomplishments. I love all of you! You will continue to be in my thoughts and prayers!

“ *RIP Vic-Tor!! So many great memories of Shawnee including the guitar player, fingernail polish on your golf clubs to find that sweet spot, and sneaking a piece of pie that June had made. I always enjoyed my time with you.*

AJ, April, and Brianna I hope you can take comfort in knowing he's no longer suffering and memories of Vic comfort you in the coming days.

All my best,

Mark
