

## Virginia "Ginger" Friedberg

April 25, 1937 - May 24, 2026

Virginia Louise "Ginger" Friedberg, age 89, passed away on May 24, 2026 peacefully surrounded by the love of her family. Born in Sumner, GA and raised in Bradenton, Florida, Ginger spent most of her life in Cincinnati, Ohio, where she built a beautiful life centered around family, friendship, kindness, and caring for others.

Ginger was the beloved wife of Daniel Lee Friedberg for 64 wonderful years. Together they created a loving family that remained the center of her world throughout her life. She was the devoted mother of Michael Friedberg (Joy Parkinson), Mark Friedberg (Marc Blondin), and Linda Friedberg Carballo (Guillermo Carballo). And grandmother to Samantha Helen Haus (Kyle Saylor), Jacob Robert Wienants and Benjamin Joel Friedberg. Nothing brought Ginger greater happiness than spending time with her children and grandchildren and visiting the people she loved most.

A registered nurse, Ginger began her career at Jackson Memorial Hospital, where she met the love of her life, Daniel. Her nurturing spirit extended far beyond her profession. She naturally took care of everyone around her and had a gentle, easygoing way that made people feel comfortable, welcomed, and loved.

Ginger loved tennis, country western music all and dancing, and especially horses. She often said that "the horses' feet took her where hers wouldn't," a

reflection of both her humor and her adventurous spirit. She found joy in life's simple pleasures, treasured time with family, and created lasting memories for all who knew her.

Those who knew Ginger will remember her as warm, friendly, kindhearted, and endlessly devoted to her family and friends. She was an extraordinary wife, mother, grandmother, nurse, and friend whose quiet strength and loving presence touched countless lives.

She will be deeply missed and forever loved.

A graveside service will be held on Friday, May 29 at 10AM at United Jewish Cemetery Loveland (712 Loveland-Miamiville Rd. Loveland, OH. 45140).

In lieu of flowers, memorial contributions may be made to Cure Alzheimers Fund.

“ Nurse Virginia Friedberg, we recognize you and pay homage to your dedication to the profession of nursing. Your life as a nurse is not remembered by your years as a nurse, but rather by the difference you made by stepping into people’s lives...by special moments. We extend our deepest sympathies to your family.

“ Ginger I often think of the three Virginia’s that sat in home room one behind the other. Ginger Reinhart who moved to the Panama Canal Zone in 8th grade, you, and me, Gini Seeburg. Now I’m the only one left. You were as vibrant as your red hair. We lost touch, but I knew you had become a nurse in Miami. RIP dear one.

“ I had the pleasure of getting to know Ginger as a neighbor, then friend and through our shared love of gardening. Her energy and spirit was unstoppable even as she struggled with health issues later on in life. My condolences go out to her loving husband, Dan and her family as they adjust to their great loss. She will live on through the cherished memories and endless love that she showed to all who had the honor of knowing her.
