“ Dear Kaufman Family,

Walter was truly a special man who always paid it forward with his kindness and generosity. Barbara and Walter always welcomed me in their home almost daily since 1967 to visit his son David.

I will always remember Walter's love for sports, spending time with David and I playing catch and throwing a football in their backyard. I also remember Walter driving us to my first baseball game at Crosley Field in 1969 and the car overheating.

Walter, I thank you for making such a wonderful impression on my life and raising such a fantastic family! Your sense of humor is unmatched along with your generosity and selflessness to serve others. You have truly touched many lives in your 93 years.

Rest in Peace Walter,

David Carter and Debbie Newman
