“ I remember meeting Werner at Starfire U he was telling us a story about how he survived the holocaust, his story brought tears to my eyes, and then I seen him at Hebrew union college for the anniversary of Kristallnacht where I shook his hand and got a picture with him, he told me to continue to educate others about the holocaust and also to remember to be nice and care about each other, and I continue to do it as he asked I will miss you very much Werner you were such an inspiration to me!
